

BAKER HEIGHTS ON TEXAS AVE CHURCH of CHRIST

Sunday, July 05, 2020

Bulletin Volume 58, Issue 27

“To mask or not to mask ... is that the question?”

“Let us therefore make every effort to do what leads to peace and to mutual edification.” Romans 14:19

There is a veritable tornado of different and sometimes conflicting opinions going around these days. We have all experienced them. It seems that many of us (I include myself in the “us”) just aren’t sure how to handle all the changes and all the differences that we are faced with each day. Should we be wearing masks or should we not? Should the church be meeting or should we not? How far should we take social distancing? Is this whole virus thing a serious concern or is it some kind of overblown bump in the road?

If we are not careful, these differences of opinion can cause conflict and separations between people who claim to be Christ followers and “members of one another.” It is so easy for us to claim our rights as individuals and to forget our **privilege** and **responsibility** as the body of Christ to think of others first. Shouldn’t we, of all people, be willing to “sacrifice” our own needs, desires or even opinions for the sake of the whole, for the sake of unity in the body? As the weeks go on, we will be confronted more and more by differences of opinion, even in our church family. Can we determine together to think about what we say to others and how we say it? Can we make a commitment to put others above ourselves?

“Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.” Philippians 2:3-4

Larry Sullivan
