LEADING SOMEONE TO CHRIST (Part 4)

In my last three bulletin articles, we've explored the question; "If we were to lead someone to Christ, where would we start?" We must always begin with the problem of sin and then from there move on to the sin solution. This approach is called the "Grace-Faith System."

*"For it is by **grace** you have been **saved**, through **faith** — and this not from yourselves, it is the gift of God."*
Ephesians 2:8 (NIV)

This verse shows the universal solution to mankind's sin problem. Therefore, when we teach this verse, it must be clearly explained. The way to do this, is by focusing on three key words in the verse – **Saved**, **Grace** and **Faith**.

Last month we explained what saves us, "Grace", which can only point to Jesus and His redeeming sacrifice on the cross! Grace is God's part of the equation. Today, we will discuss how we get in touch with God's grace, through "Faith". Faith is our part of the equation!

The Bible tells us how we obtain faith; it is from hearing God's word (**Romans 10:17**). God's word goes on to tell us it's impossible to please God without faith (**Hebrews 11:6**). The word "Faith" is a noun, yet the Bible always describes action as a direct result of, or response to, faith. Therefore, when we hear God's word, our response must be to act – and our action must be based on the direction given in God's word.

Let's take an example from Abraham: God credited Abram with righteousness, when he put his faith in God (**Genesis 15:6**). Prior to that, Abram by faith left his homeland and went to the promised land as directed by God (**Genesis 12**). Therefore, Abraham had a faith that obeyed God's will. This is the only kind of faith that will please God and connect us with God's saving grace (**Romans 5:1-2**).
